

How to Register for OLLI Lectures

We apologize for the incomplete directions on how to use EventBrite. Please read the step-by-step directions below.

Why We Are Using Eventbrite

This summer we had overflow crowds attending several lectures at the Katzen Center. Due to fire code, we had to ask members to leave after they had arrived, which understandably frustrated many people. In order to prevent similar problems, we have decided to use Eventbrite, which is a free, widely used event management website and app. Please take the time to read the directions below thoroughly.

When Can You Register for a Lecture?

For each lecture (including Allan Lichtman's), **registration opens at 9:00am on the Friday before the lecture and closes at 12:00 noon on the day of the lecture.**

How to Use Eventbrite

1. Click on the link below (or on our website) for the lecture for which you want to register.
2. On the Eventbrite lecture page, click on the green "REGISTER" button on the lower right.
3. A pop-up window with the lecture name will appear. Select whether you want 1 or 2 tickets. Click on the green "CHECKOUT" button.
4. You will have 8 minutes to finish your registration. Enter your first name, last name, email address, and confirm your email address. Click on the green "Complete Registration" button. A confirmation screen will appear and you will receive an email with your ticket(s). **You are done.**

You do not need to bring your ticket to the door. We will have a list at the door of individuals with reservations.
