## OLLI Welcomers Needed

We all know OLLI as a warm and welcoming community, and this year we are formalizing a program to ensure that each new OLLI member is individually welcomed before the start of classes. We hope to find some additional members interested in serving as one of our official "Welcomers."

We all can remember the excitement and butterflies of the first day in a new school. Having one person reach out and answer questions or describe the strong sense of the OLLI community can help to launch a newcomer's experience at OLLI in grand style.

We will review the responsibilities in detail at an orientation meeting on **Monday, September 17, at 10:00 AM**, but at a minimum it involves reaching out to up to three new OLLI members before the start of classes and touching base at the end of the semester to see how it went.

If you are interested in serving as a Welcomer, and are able to attend the meeting, please **email [olli@american.edu](mailto:olli@american.edu) by the end of the day on Friday, August 31**. If you would like to be a Welcomer, but are unable to attend the meeting, please also let us know.

## Membership Perks at the Katzen AU Museum

Members enjoy invitations to gallery openings, artists' talks, discounts on yoga classes, and more. If your taste runs to culture and classic rock you won't want to miss the **September 7 Members' Preview** for a private reception and gallery talk on the work of Robert d'Arista followed by a jam session of the museum director's band, *The Artifacts*. Band
