

Where Curiosity Never Retires

JANUARY 15, 2019 OLLI NEWS

Are You on a Neighborhood Listserve?

The Membership Committee is looking to increase the number of OLLI members overall and the number of OLLI members from underrepresented groups per our Strategic Plan. To accomplish this, the committee is pursuing a brief description of OLLI and the Spring Semester in neighborhood listserves. If you subscribe to a neighborhood listserve and would be willing to post info on OLLI, please contact the OLLI office at olli@american.edu or 202-895-4860.

Emergency Procedures

Please note that below are American University's evacuation procedures. In each room in the Spring Valley Building, including all OLLI classrooms, AU has posted an Emergency Quick Reference Guide (see right). The Guide is typically posted inside the room immediately to the side of the door.

Know two ways out of classrooms, offices, and other areas you frequent as well as the location of fire alarm pull stations.

If you need to evacuate the building:

- Remain calm and exit the building in an orderly manner.
- Evacuate the building using the nearest safe exit or stairwell. Do not use the elevators.
- If unable to self-evacuate, Shelter-in-Place in a room with an exterior window and operable door. When sheltering in place, close all doors and windows. Make a list of all people with you. Report the list and your location to the AU Police Department (AUPD) by calling **202-885-3636** or by activating the Rave Guardian app.
- Notify AUPD when you exit the building if someone needs assistance. Be sure to identify the

person's location.

- Do not move seriously injured persons unless they are in imminent danger (e.g., a fire).
- Never try to walk through smoke-filled or other imminently hazardous areas. If you see or smell smoke in the stairwells, close the door and use a different exit.
- Keep streets, fire lanes, hydrants, and walkways clear for emergency vehicles and crews.
- Return to the building when permitted to do so or comply with other instructions given by AUPD.
