Board Election

Beginning at 2:30 PM April 9, OLLI members may vote for the candidates below for the Board of Directors. An email has been sent to each member with login and password information for you to vote online. All individuals who have taken a class since July 1, 2020 through now are eligible to vote. Voting ends at 4:00 PM on Fri., April 23. If you do not receive the email, please [email OLLI@american.edu](mailto:OLLI@american.edu).

After inviting recommendations from the OLLI membership, this year's Nominating Committee (Diane Renfroe, Chair; John Aldock; Lisa Leinberger; Cindy Lisec; and Mark Nadel), has developed a list of four candidates to fill the four positions on the Board of Directors becoming vacant in June 2021. The Committee believes these candidates have amply demonstrated the skills, experience, background, and energy needed for OLLI at AU leadership. The list, which the Board has approved, will appear on the ballot for the election that is scheduled for April. *Please note that an asterisk by a candidate's*

name indicates they're a current Board member. The Board-approved candidates are:

MARTHA CUTTS*

I retired in July 2016 after 47 years in K-12 education. Most recently I served for eight-plus years as Head of School at Washington Latin Public Charter School. In 1991, I moved to Washington, DC from Connecticut for my position at National Cathedral School as Assistant Head and Director of the Upper School. I have a BA from Mount Holyoke College and an MAT from Yale University. I served as Board Chair and Vice Chair and am currently Secretary. I have been or am now a member of OLLI at AU's Strategic Planning, Development, Lecture, and Diversity Committees. I have also been an OLLI Welcomer for three years. OLLI has been the highlight of my retirement; I look forward to helping the organization continue to grow and thrive.

JO ANNE FRIEDENTHAL*

Treasurer of the OLLI at AU Board of Directors, Chair of the Finance Committee, and a member of the Investment Sub-Committee. I am a retired attorney who specialized in securities, finance, and real estate law and have served as an arbitrator in securities matters. I was a partner in a large San Francisco law firm, and upon moving to DC, was Associate General Counsel for Freddie Mac. I have been a member of OLLI for 12 years and have had the opportunity to take a large variety of fascinating and challenging courses. I have acted as a Study Group Representative for several classes. In 2013, and again in 2016, I served as Chair of the Personnel Committee. I also have been a member of the Nominations Committee, and a committee to review and revise the By-laws.

STUART FRISCH

I've been taking classes enthusiastically at OLLI since 2013. I am the Chair of the Personnel Committee and a member of the Governance Committee. Over the years, I have often served as a class representative and a welcomer for new members. I have also mentored several foreign students in the OLLI-IAP program. I am a graduate of Brooklyn College and Harvard Law School. I was a Peace Corps volunteer in the Dominican Republic in the late 1960s. I spent most of my legal career in government—10 years at the EEOC and 25 years at the Department of Justice, where I was a senior executive.

ALAN HAUSMAN*

I have been a student at OLLI at AU for over a decade. For the last three years, I have served on the OLLI Board and, during this time, have served as Board Secretary, been on the Executive Committee, and currently serve as Chair of the Governance Committee. Prior to joining the Board, I served as Chair of the Personnel Committee and co-taught an OLLI class. In my prior life, I practiced law for over 30 years at law firms, for a major financial institution, and as Senior Counsel to a Congressional Select Committee. I have served on the boards of several non-profits and as an outside consultant to non-profits with an emphasis on management, corporate governance, and human resources. I am a graduate of Brooklyn College and Columbia Law School.

STEM Survey

OLLI at American University was invited to participate in a National Science Foundation research project by one of our OLLI colleagues, the Osher Lifelong Learning Institute at UC Berkeley. We reviewed this request and agreed to present the opportunity to our members. The following is your invitation to participate, which is entirely voluntary.

INVITATION TO PARTICIPATE IN A RESEARCH STUDY

You are invited to participate in a research study that is being conducted by a team from University of California Berkeley; OLLI @Berkeley, the Fung Fellowship, and the Lawrence Hall of Science. Jennifer Mangold PhD, the Director of the Fung Fellowship, is the Principal Investigator.

More information is included below. If you have any questions, you can contact Jennifer at jmangold@berkeley.edu, or Sarah Olsen at skolsen@berkeley.edu.

STUDY PURPOSE

The purpose of the study is to develop new methods for measuring participation, engagement and STEM advocacy among older adults.

WHAT AM I BEING ASKED TO DO?

You are being asked to participate in a SURVEY about STEM advocacy. The survey asks about your attitudes and dispositions toward STEM advocacy, your likelihood to engage in certain advocacy behaviors, and your background related to STEM. Participation is completely voluntary.

- **Confidentiality:** The survey is anonymous; no personally identifiable information (e.g., your name) is connected to the survey data either directly or through a coding system.
- **Study Time:** Your participation will take approximately 15 minutes.
- **Study Location:** Your participation is entirely web-based; you will respond to the survey online using the attached link and submit it when finished.
- **Compensation:** You will not be paid for participating in this study.
- **Benefits:** There will be no direct benefit to you for participating in this study; however, it is hoped that the information gained will aid in the development of tools to measure the impact of older adult participation in STEM learning experiences.

This [link](#) will take you to the SURVEY that includes:

- A consent form that includes further information about the study and will ask you to agree to participate in the research study.

2021 Bloomsday by OLLI

This year's Bloomsday Celebration will take place on **Wednesday, June 16 from 3:30 to 7:00 PM**. This Zoom event will feature live readings and a film screening. These "twins" will be linked on the basis of what they have in common (such as subject matter or character) and distinctive differences (such as time, geography, style, point of view, emotion). This linking will enable us to track developments in the lives of Joyce and his characters. , The contrasts between passages will bring into relief his multifaceted writing talents.

We are looking for readers for the celebration. **If you would like to be a reader, please contact Bob Kolodney at bobkolive@gmail.com**. Registration information will be provided closer to the event date.
