Welcome back to our OLLI Tips and Tricks series, where we highlight helpful tools or tips to make your OLLI experience as smooth as possible. Topics range from online registration, to accessing your Zoom links, to using the parking app, and more!

## ACCESS YOUR ZOOM LINKS

If you are registered for an online or hybrid class, you will receive the Zoom link the morning of the class from OLLI's "DoNotReply" email address. However, if you misplace the email or accidentally delete it, you can always access your Zoom links through your **member account** on the OLLI website. When you [log into](#) your member account on the website, you will be brought to your member dashboard, where you will see all the classes you're registered for and their Zoom links (see image below). You can use these same links every week! For more tips on using Zoom, visit our [website](#).
